7	Vision	Our Children's School is dedicated to shaping a brighter future by providing quality education, promoting health, and fostering a nurturing environment for learning. Our mission is to empower the poor and helpless, equipping them with the knowledge, skills, and well-being necessary to become self-reliant. In search of a beautiful society, we focus on holistic development, lifelong learning, and health initiatives, aiming to transform lives and build a world where every child has the opportunity to thrive. Together, we are paving the way for a future where empowerment, self-sufficiency, and harmony are within everyone's reach.
8	Mission	1. Our 24/7 Emergency Service provides immediate access to critical support, including ambulance services, oxygen supply, and blood donations, ensuring prompt and life-saving care. Whether it's a medical emergency, accident, or urgent health crisis, our dedicated team is ready around the clock to deliver essential services, prioritizing your safety and well-being. Trust us to be there when you need it most, offering swift response and reliable care every day, all year long. 2. Self-reliance of distressed and helpless women. 3. We also provide free sewing machines as part of our initiative to empower individuals, especially women, by promoting self-reliance and economic independence. Through this program, we offer training and resources to help participants develop valuable skills in tailoring and garment making. This not only enables them to generate income but also fosters a sense of confidence and entrepreneurship. By equipping the poor and helpless with practical tools and knowledge, we are helping to create a beautiful society where everyone has the opportunity to lead a dignified and self-sufficient life.

9	Objectives of the Organization	Our objective is to foster a self-reliant and empowered society by providing comprehensive support in education, health, and economic independence. We aim to: Educate and Empower Children: Offer quality education through our children's school, focusing on the holistic development of underprivileged children to prepare them for a brighter future. Promote Health and Well-being: Ensure access to essential health services, including emergency medical support with ambulance, oxygen, and blood donations, to safeguard the well-being of the community. Enhance Economic Independence: Equip the poor and helpless with skills and resources, such as sewing machines and training, to enable self-sufficiency and income generation. Create a Beautiful Society: Work towards building a harmonious and inclusive society where every individual has the opportunity to thrive, contribute, and lead a dignified life.
10	Brief History of the Organization	Taranga Welfare Trust is situated at Kabilpur, Kabilpur, Sagardighi, Murshidabad, 742237 and was established on 25-09-2021 under Registration No IV-1903-00980/2021. Taranga Welfare Trust was founded with the vision of uplifting the underprivileged and creating a supportive, self-reliant community. Over the years, our trust has undertaken a variety of impactful initiatives to address the diverse needs of the people we serve. 1. Blood Donation Camps: We regularly organize blood donation camps to ensure a reliable supply of safe blood for hospitals and healthcare facilities. These camps not only save lives but also raise awareness about the importance of blood donation. 2. Food Distribution: In our mission to combat hunger, we distribute food to underprivileged families, ensuring they have access to nutritious meals. This initiative aims to provide relief to those struggling with food insecurity. 3. Cloth Distribution: We conduct cloth distribution drives to provide essential clothing to the poor, especially during colder months. This helps protect vulnerable populations from harsh weather conditions and restores dignity to those in need. 4. Wheelchair Distribution: To support individuals with mobility challenges, we distribute wheelchairs, enabling them to lead more independent and comfortable lives. This initiative is crucial in enhancing the quality of life for the differently-abled.

5. Flood Relief Donations: In times of natural disasters, such as floods, we mobilize resources and distribute essential items to affected communities. Our efforts include providing food, clothing, and other necessities to help people recover and rebuild their lives.

6. Free Health Checkups: Recognizing the importance of health, we organize free health checkup camps to provide medical consultations and screenings. These camps help in early detection of health issues and promote overall well-being in the community.

7. 24/7 Ambulance Services: Our 24/7 ambulance service ensures prompt medical assistance for emergencies, accidents, and critical situations. This service is a lifeline for many, offering quick transportation to healthcare facilities.

8. Oxygen Services: In response to critical health needs, we offer oxygen supply services to patients requiring respiratory support, ensuring timely and life-saving assistance.

9. Plantation Drives: We are committed to environmental sustainability through our plantation drives. By planting trees, we contribute to a healthier environment, improve air quality, and create green spaces for future generations.

10. Children's Education: We provide quality education through our school for underprivileged children, focusing on their holistic development and preparing them for a brighter future.

11. Free Sewing Machine Distribution: Our sewing machine distribution program empowers the helpless by promoting self-reliance and economic independence, enabling them to develop tailoring skills and generate income.

12. Awareness Programs: We organize various awareness programs to educate the community on important issues, including health, hygiene, environmental conservation, and social welfare, fostering informed and responsible citizens.

Through these diverse initiatives, Taranga Welfare Trust remains dedicated to serving the underprivileged, fostering a sense of self-reliance, and building a compassionate, supportive society. Our continuous efforts aim to make a lasting difference in the lives of those we touch.

Activities

Ambulance Service 24×7

Our 24/7 Ambulance Service is dedicated to providing round-the-clock emergency medical support to those in need. With a fleet of well-equipped ambulances and a team of trained professionals, we ensure prompt and efficient response to medical emergencies, accidents, and critical situations. Our service is available at all hours, offering reliable transportation to hospitals and healthcare facilities, ensuring patients receive timely care. Committed to saving lives and prioritizing the health and safety of our community, our ambulance service is always ready to respond, providing peace of mind when it matters most.

Free Sewing Machine Distribution

Our Free Sewing Machine Distribution program is aimed at empowering individuals, particularly women, by promoting self-reliance and economic independence. Through this initiative, we provide sewing machines at no cost to the helpless, enabling them to develop valuable skills in tailoring and garment making. This program not only helps beneficiaries generate income but also fosters a sense of confidence and entrepreneurship. By equipping the poor and helpless with practical tools and opportunities, we are helping to create a more self-sufficient and empowered society, where everyone can work towards a better future.

Blood Donation Camp

We are committed to saving lives and supporting our community through our Blood Donation Camps. By organizing these events, we provide an opportunity for individuals to donate blood, helping to meet critical needs in local hospitals and healthcare centers. Our goal is to encourage a spirit of generosity and care, ensuring that safe, life-saving blood is readily available for those in urgent need. Each camp is an effort to raise awareness about the importance of blood donation and to create a network of compassionate individuals dedicated to making a difference. Through these initiatives, we contribute to building a healthier, more supportive society.

Free Medical Camp

Our Free Medical Camp initiative is dedicated to promoting the well-being of underprivileged communities by providing essential medical services at no cost. These health camps are designed to offer comprehensive medical consultations, screenings, and basic healthcare services, helping to detect and prevent potential health issues early on. By making healthcare accessible to those who may not afford it otherwise, we aim to improve overall community health and raise awareness about the importance of regular health checkups. This initiative is part of our broader commitment to fostering a healthier society and ensuring that everyone has access to basic medical care.

Plantation

Our Plantation Drive is a key initiative aimed at promoting environmental sustainability and combating climate change. Through this program, we organize tree-planting activities in various communities, focusing on increasing green cover and improving air quality. By involving local residents, especially children and volunteers, we raise awareness about the importance of trees in maintaining ecological balance and providing numerous environmental benefits, such as reducing carbon dioxide, preventing soil erosion, and enhancing biodiversity. This initiative not only contributes to a healthier environment but also fosters a sense of responsibility towards nature, helping to create greener, more sustainable communities for future generations.
